**EMERGENCY PROCEDURES FIRE SERVICE & AMBULANCE: DIAL 111
NATIONAL POISONS CENTRE: 0800 764 766 (0800 POISON)**

IF THIS HAPPENS	DO THIS
Vehicle accident	Switch off engine and electrical equipment. Keep people away, warn other traffic. Check for spills, leaks. Call the emergency services: Dial 111
Spill or leak	Wear suitable protective clothing. Restrict access to contaminated area. Contain the spill and prevent further dispersion. Retrieve intact containers from site. Place damaged containers into containment devices. Absorb spills with inert material and place in waste containers. Wash the area with water and absorb with further inert material. Collect spilled material and place in sealable containers for subsequent disposal. Avoid contamination of water courses or sewers. Dispose of waste safely.
Fire	Call the Fire Service: Dial 111. Non flammable and non combustible so treat the fire as for the other materials present. Under fire conditions this product may emit toxic and/or irritating fumes including carbon monoxide and carbon dioxide. For fire-fighting wear breathing apparatus (smoke containing decomposition products may be a hazard to health). Do not allow water to enter drains.

FIRST AID

If swallowed	If swallowed, wash out mouth thoroughly with water. Seek medical attention. Do NOT induce vomiting.
If in eyes	If splashed in eyes, wash out immediately with water. Seek medical attention.
If on skin	If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water.
If inhaled	Remove patient to fresh air.

STORAGE AND SEGREGATION

Storage: Store in a cool place below 30 °C. Protect from light. Do not freeze. Keep out of reach of children.

Aggregate Storage Volume Thresholds: When stored with substances of the same hazard the aggregate quantity must be considered. For full details refer to the current NZS8409 Management of Agrichemicals and the HSNO Regulations.

Location certificate	Hazardous Atmosphere Zone	Number of fire extinguishers	Hazard Class & Emergency Signage	Emergency Information	Emergency Plan	Secondary containment
NA	NA	NA	100 kg	Level 2: 0.1 kg	100 kg	100 kg

Do not store or load with: Explosives (Class 1)

Segregate from: NA

Check the Land Transport Rule Dangerous goods 1999, Rule 45001 for additional information. Refer NZS5433, sea segregation, for details.
